

# YOUR SAFETY AND WELLBEING AT PDT TRAINING

## SAFEGUARDING

PDT has a legal duty to ensure learners are free from any form of abuse and feel safe while they are with us.

Abuse can be physical, emotional, sexual, or financial. It can also include, but is not limited to, bullying, neglect, racist behaviour, domestic violence, female genital mutilation, sexual harassment and forced marriage.

## PREVENT

Prevent aims to stop people being drawn into terrorism, extremist violence and/or radicalisation. Not all extremism is harmful or criminal, but sometimes those who behave in an extreme way can go on to hurt and harm other people.

We support those who are vulnerable to becoming extremists or radicalised; by working with institutions, sectors, and challenging extremist ideologies. Safeguarding options are used to help ensure that individuals are protected and that communities remain safe.

If you have any concerns relating to safeguarding or Prevent, you can speak directly to one of our safeguarding leads; or you can speak to any member of staff. You will be listened to without judgement and supported to resolve the issue.
